

Ian Jenkins' 35-year career in financial services spans finance, risk, operations and strategy.

Ian graduated from The City University with a Masters of Engineering and is a Chartered Accountant. He served as Chief Financial and Risk Officer at Diem Networks and the Diem Association (the consortium formerly responsible for developing the Facebook-backed cryptocurrency project formerly known as Libra) and is a Non-Executive Director of Starling Bank.

He has held senior leadership roles as Interim Group CFO of Aberdeen Group, Deputy Group Finance Director and Chief Financial Officer Europe at HSBC, Chief Risk Officer at Abbey National plc and Chief Operating Officer Asia Pacific at Credit Suisse.
