

Overview

Matt is the Accountant at Global Mentors Group, working closely with the Finance Director to ensure the efficient management of financial operations.

Career History

Matt brings experience from a top 10 accountancy firm as well as a renewable energy consultancy start up, enabling a well-rounded approach to financial analysis and operational efficiency.

Personal

Matt is committed to discipline and self-improvement, starting each day with a cold plunge and ending the day with gym and a sauna session. Beyond fitness, Matt has a passion for exploring new places and cultures, as well as staying engaged with the world of investing.
