

## Overview

Jodie Wilson is the Operations Director at Global Mentors Group, responsible for overseeing day-to-day operations across all GMG businesses and driving service excellence across all regions. Jodie works closely with the COO and the Operations Executive to provide operational support to Merryck, with a primary focus on ensuring the company's operations run smoothly and efficiently.

## Career History

Before joining Global Mentors Group, Jodie studied English Literature at the University of Sheffield and held business and operations support roles at the FAIRR Initiative and Odgers Interim.

## Personal

Jodie enjoys spending time with family and friends, cooking new dishes and travelling. She also has a keen interest in literature and likes to write her own poetry and short stories in her spare time.
